CO-LIVING LOBBY

"Your vision. Built right. Delivered on time."

You have a business to run. We take care of the space.

Multi Karya Sukses turns your vision into a space built around how your business works.

We deliver interior fit-out projects for retail, hospitality, and government clients across Sumatra, with a focus on clarity, precision, and strong commercial outcomes.

With 8+ years working alongside developers, hospitality groups, and asset owners, we act as a single embedded partner from planning through to opening, managing approvals, design coordination, and construction so every stage stays on track.

Spaces that don't just look exceptional. They perform.

One team. Clear communication. *No surprises.*

A new store, office, or venue is a business decision with a deadline. We take the construction off your desk with **one accountable team**, **one contract**, and **a clear picture of progress** at every stage.

01

One team, start to finish

Construction, interiors, furniture, and signage under one contract. No handoffs between trades, and one point of accountability.

02

Full visibility

From design to handover, every stage is clearly communicated so you always know what's happening on site.

03

Built to open on time

Approvals, design coordination, and construction managed for you, so your store, office, or venue opens when planned.

04

Sumatra-wide reach

Based in Palembang, delivering across nine provinces, with packing, shipping, and on-site installation handled in-house.

Commercial project expertise across every sector.

From national brand roll-outs to government offices and hospitality developments, we build spaces that work hard every day.

05 · HOW WE WORK

A single partner, from planning to opening.

We act as an embedded partner for developers, hospitality groups, and asset owners, managing approvals, design coordination, and construction so every stage stays on track.

01 **Planning & approvals**

We scope the space with you and handle the permits and paperwork, including billboard tax and signage permits.

02 **Design coordination**

Layouts, finishes, furniture, and brand signage aligned to how your business works and to your brand standards.

03 **Construction & fit-out**

Civil works, interiors, custom furniture, and signage built by one team under one contract, with clear updates at every stage.

04 **Handover & beyond**

Delivery and installation across Sumatra, a space ready to open, and maintenance when you need it.

Brands that build with us.

Global electronics brands, national retail and F&B chains, and regional businesses trust MKS with their spaces in Sumatra, and many come back for the next one.
